## **Community Cupboard of Underwood**

by Pandora Hummel & Toni Ganje

This summer we had an opportunity to resurface the floor in our building with the help of United Way's "Day of Caring" program. We decided this would be a great time to organize and thoroughly clean the pantry and thrift store. These improvements would not have been possible without the help of the board members and many volunteers. A Special Thanks to Rainbow Energy, House of Color & Rust-Oleum for providing labor, materials and equipment to make this project possible.

The community cupboard also operates a thrift store which has household goods and clothing. The thrift store is open to the public 2-3 days a month.

You can find the hours posted on [Facebook.com/underwoodfoodpantry](https://www.facebook.com/underwoodfoodpantry) or City of Underwood app.

Donations are welcomed during the hours the store is open. Please donate clothing for the current season and avoid large items like furniture.

As the holidays are upon us, some of the main items we are in need of are household staples and perishable items such as eggs, butter, margarine, milk & bread. This may be a great idea for a company who wants to do a food drive with their employees.

In the past we have prepared for 40 families, unfortunately with the changes in our economy we are expecting more who will be in need this holiday season.

The community cupboard is operated on donations and hours of many volunteers. It takes dedication of people giving time and money to keep this service in our community. If you would like to make a monetary contribution or volunteer your time, please email [underwoodfoodpantry@gmail.com](mailto:underwoodfoodpantry@gmail.com) or call 701-595-0320.

\$25

# Library News:

Did you know there will be an eclipse of the sun on Saturday, October 14? Here in our part of North Dakota we will see only a partial eclipse but you still need proper glasses to view the eclipse. Stop in at the library this week to pick up a FREE pair of eclipse glasses to safely view the eclipse.

The eclipse will start about 10:21 on Saturday morning. Remember we're open 8-5 Monday-Friday so you need to pick up your glasses by 5 pm Friday!

Riverdale~Pick City Women's Club is inviting you to bring your tricks and treats to the Coffee House on Tuesday,

October 31 from 5-8 pm

Tables will be available for you to set up your own trick and treating station. When the ghosts and goblins come in the coffee house, they will have many places to collect tricks and treats.

Contact Jackie @ 226-4174 to reserve

# GUIDED HIKE ON THE NCT

## “Salmon Run”

The North Country Trail Association’s Central Flyway Chapter will be offering a “guided” on hike October 15th @ 12:00 PM.

**There will be two distance options. Please read the descriptions below.**

Hike option #1 is approximately 5 miles long and begins at Lake Sakakawea State Park by the Western Terminus sign for the North Country Trail. The hike will follow the blue blazes of the NCT within the park boundaries and then exit the south end of the park. We will be crossing Highway 200 and then dropping down onto the Hatchery Road. From there the hike will follow the newest section of the North Country Trail which leads us across hatchery property and onto the trails within the Garrison Dam National Fish Hatchery. The hike will be led by a member of the NCTA Central Flyway Chapter.

Hike option #2 is approximately 2.5 miles long. You will begin your hike at the fish cleaning station. The fish cleaning station is located along the Hatchery Road below the dam. We will have signs identifying that area. The hike will be led by a member of the NCTA Central Flyway Chapter

We will shuttle hikers back to the start of their hike.

Pets are welcome on the hike and must be leashed at all times. Please bring bags for pet waste.

As we hike in this area we will have the opportunity to watch the salmon running in the streams throughout the hatchery. Each fall the chinook salmon return to the hatchery waters to spawn.

It is an exciting time of the year at the hatchery, with all kinds of migratory birds as well as the running of the salmon. The colors of fall among the majestic cottonwood trees should also be spectacular..

We are excited to have the North Country Trail be a part of the beautiful trail system within the hatchery boundaries. It will allow hikers to be off the road and to experience the beauty of this area which includes the views of the mighty Missouri River.

We are very appreciative to have this new section of trail and we are extremely thankful to the Garrison Dam Fish Hatchery, Lake Sakakawea State Park, and the Army Corps of Engineers for helping to enhance this area of the North Country Trail in North Dakota.
