NORTH DAKOTA GAME & FISH

Late-Season Hunting Dates

The statewide duck and white-fronted goose seasons close Dec. 5. However, duck hunting in the high plains unit reopens Dec. 11 and continues through Jan. 2.

In addition, the season for Canada geese closes Dec. 18 in the eastern zone, Dec. 23 in the western zone and Dec. 31 in the Missouri River zone. Light goose hunting closes statewide Dec. 31.

Archery deer, fall turkey, sharp-tailed and ruffed grouse, partridge and pheasant hunting seasons continue through Jan. 2.

The season for tree squirrels closes Feb. 28.

Mountain Lion Zone 1 Late Season Opens

North Dakota's early mountain lion season in Zone 1 closed Sunday, Nov. 21, and the late season, when hunters can pursue lions with dogs, is open.

During the early season, hunters took one cat from a harvest limit of eight. Under the season structure, a conditional season could open five days after the late season closes for hunters to pursue the additional seven mountain lions that were not taken.

The late season in Zone 1 opened Nov. 22 and is scheduled to run through March 31, 2022, or until the harvest limit is reached. The late season harvest limit is seven total lions or three female lions, whichever comes first.

Hunters are advised to check the [status of the late season](#) by visiting the North Dakota Game and Fish Department website, gf.nd.gov.

Zone 1 includes land in western North Dakota south of ND Highway 1804 from the Montana border to the point where ND Highway 1804 lies directly across Lake Sakakawea from ND Highway 8, crossing Lake Sakakawea, then south along ND Highway 8 to ND Highway 200, then west on ND Highway 200 to U.S. Highway 85, then south on U.S. Highway 85 to the South Dakota border.

The mountain lion season in Zone 2, which is the rest of the state outside Zone 1, has no harvest limit and is open through March 31, 2022.

The mountain lion season is open only to North Dakota residents. Hunters need a furbearer or combination license to participate.

Fishing Tournaments Require 30-Day Notice

Organizers planning fishing tournaments, including ice fishing contests this winter, must submit an application along with fishing tournament regulations to the North Dakota Game and Fish Department at least 30 days prior to the start of the event.

The 30-day advance notice allows for review by agency staff to ensure the proposed tournament will not have negative biological consequences, or conflicts with other proposed tournaments for the same location and/or time.

Fishing tournaments may not occur without first obtaining a valid permit from the department.

Special Allocation Lottery Apps Due Jan. 1

Nonprofit organizations eligible to receive big game hunting licenses in 2022 must have the application submitted to the North Dakota Game and Fish Department no later than Jan. 1.

North Dakota state law provides direction for the Game and Fish director to allocate big game hunting licenses to eligible organizations. Under this directive, up to two elk, moose and pronghorn licenses, and 10 white-tailed deer licenses, can be issued to organizations to use for fundraising.

Eligible organizations must be exempt from federal income taxation under section 501(c)(3), and must provide a copy of the letter from the Internal Revenue Service to that effect. In addition, organizations must be active and in good standing with the office of the North Dakota Secretary of State.

Successful lottery applicants must agree to donate at least 10% of the net proceeds of any license fundraiser to a conservation-related project, such as hunting access, conservation education, habitat development or shooting range management.

Holiday Cookie Wreath

verybestbaking.com

INGREDIENTS

1 pkg. (16.5 oz) Nestle Toll House Refrigerated Sugar Cookie Bar Dough
¼ c. all purpose flour
Colored icing
Assorted holiday decorative candies
Decorator sprinkles, candies & sugars
1 container (16 oz,) prepared vanilla frosting, colored as desired
20-inch strip of strawberry fruit-flavored snack in 3-foot rolls

DIRECTIONS

Preheat oven to 350 degrees. Crumble dough into medium bowl. Add flour, mix until combined. Sprinkle work surface lightly with flour. Roll out dough to ¼ in. thickness, using additional flour as needed to prevent sticking. Cut cookie dough with 1 ½ to 2-in. round cookie cutters or leaf-shaped cookie cutters (approximately 20 cookies). Transfer to ungreased baking sheets, placing about 2 inches apart. Remaining scraps of dough can be rolled out again to make more cookies. Refrigerate for 10 minutes. Bake cookies for 9-11 minutes or until golden brown. Cool on baking sheets for 2 minutes; remove to wire racks to cool completely. Decorate cookies with icing & decorations.

One cookie at a time, spread frosting onto bottoms of ½ to 2/3 of the cookies. As you go, arrange cookies in a circle on a platter to form the outer ring of wreath, frosting side down. With remaining frosting, arrange remaining cookies as inner layer of wreath, laying slightly on the outer layer. Use fruit flavored snack as ribbon. Decorate with additional sprinkles & candy decorations. Servings: 20 cookies
