NEW YEAR'S EVE

National Day Calendar

Every year on December 31st, people around the world celebrate New Year's Eve, the last day of the year. It's a day to say "goodbye" to the old and "hello" to the new.

Also known as Old Year's Day or Saint Sylvester's Day, New Year's Eve is one of the most exciting holidays of the year. Some countries, such as the Philippines and Latvia, celebrate New Year's Eve as a public holiday. In Japan, it's a government holiday. In other countries, many businesses let their employees off of work early so that they can partake in the many festivities.

There are many reasons this day is one of the biggest nights of the year. Not just because it's a time of big parties and celebrations all around the world. New Year's Eve can be a significant turning point in your life. It's a time to reflect on the past year and all of the lessons you have learned. It can be a time you decide to start making better choices. If you have had a rough year, New Year's Eve offers a feeling of relief. You can be thankful that the year is finally over.

New Year's is also a time to forgive past mistakes and form new habits. Many people make New Year's resolutions. Although only 8% of people actually accomplish them. Instead of making resolutions that you're not going to keep anyway, it's better to set three or four goals. Breaking down goals into actionable steps, and reviewing your progress daily helps to keep them. It's also a good idea to find a friend or mentor that can hold you accountable.

As we count down the last hours and seconds of the old year, it is an excellent time to look back at the year and reminisce with friends and family.

Many cities throughout the world go all-out to celebrate this exciting night. Fireworks, concerts, countdowns, and ball drops are usually among the many festivities. Some of the best cities to celebrate include New York City, Sydney, Bangkok, Dubai, Cape Town, London, and Las Vegas.

In Spain and other Spanish-speaking countries, it is a tradition to eat 12 grapes during the countdown to midnight, symbolizing hopes for the new year. Around the world, eating anything in the form of a circle or ring symbolizes coming full circle and is considered good luck.

As a Christian observance, it is traditional to hold an evening Mass the night before a Holy Day. New Year's Day in the Roman Catholic Church honors the Virgin Mary. In some countries, St. Sylvester, Pope of the Catholic Church from 314 to 335, is celebrated on New Year's Eve.

HISTORY

The first New Year's celebrations were thought to be held in ancient Mesopotamia. Because of the calendar at the time, these celebrations took place in March. Ringing in the New Year consisted of an 11-day festival. When the calendar switched from the lunar year to the solar year, the New Year began in January. This occurred in 46 B.C., when an astronomer convinced Julius Caesar to follow the solar year. It seems that since way back then, the coming New Year has been cause for celebration. Through the years, many New Year's traditions have formed. Some of which include fireworks, parties, and singing "Auld Lang Syne."

Merry Christmas

THE STRANGER

At Christmas time there was a man who looked so out of place
As people rushed about him at a hurried sort of pace.
He stared at all the Christmas lights, the tinsel everywhere,
the shopping center with Santa Claus and children gathered there.

The mall was packed with shoppers who were going to and fro,
some with smiles and some with frowns and some too tired to go.
They rested on the benches or they hurried on their way
to fight the crowd for purchases to carry home that day.

The music from the stereo was playing loud and clear;
of Santa Claus and snow men and a funny-nosed reindeer.
He heard the people talk about the good times on the way
of parties, fun and food galore, and gifts exchanged that day.

"I'd like to know what's going on," the man was heard to say.
"There seems to be some sort of celebration on the way."
The answer came in disbelief, "I can't believe my ears!
I can't believe you do not know that Christmas is here."

"The time when Santa comes around with gifts for girls and boys.
When they're asleep on Christmas Eve he leaves them books and toys.
The man you see in red and white is Santa Claus, so sly.
The children love his joyful laugh and twinkle in his eye."

"His gift-packed sleigh is pulled along by eight tiny reindeer
as he flies quickly through the air darting there and here.
The children learn of Santa Claus while they are still quite small.
When Christmas comes, he is the most important one of all!"

The stranger hung his head in shame, he closed a nail-pierced hand.
His body shook with disbelief; he did not understand.
A shadow crossed his stricken face, his voice was low but clear.
"After all these years they still don't know."

and JESUS shed a tear.

- ¾ c. bourbon
- ½ c. finely diced onion
- ½ c. water

Filet Mignon Bites with Creamy Horseradish Sauce

platingsandpairings.com

Filet Mignon Bites

- 1 lb. beef tenderloin
- ½ lb. thin-sliced bacon
- Salt & Pepper
- 2 tbsp. Worcestershire Sauce (for basting)

DIRECTIONS

Filet Mignon Bites: Preheat oven to 450 degrees. Pat tenderloin dry & cut into 1-inch cubes. Cut each strip of bacon in half & wrap around the steak cubes. Secure with a toothpick. Season each side of the steak with salt & pepper. Spray grill pan, or grill with cooking spray & warm to medium high heat. Sear the steak cubes for 1-2 minutes on each steak side. Place on a baking sheet with the bacon side lying down. Bake for 2-3 minutes, flip the steak bites over to the other bacon side, & bake for an additional 2-3 minutes, until cooked to your liking. Brush with Worcestershire sauce.

Creamy Horseradish Sauce: Combine the Greek yogurt, horseradish, breadcrumbs & applesauce in a medium bowl. Season with salt & pepper to taste. Servings: 12 steak bites.

Wine pairings: A big, bold hearty red wine makes a great match for these bites. Try a Cabernet, Syrah or Zinfandel. Pinot Noir has earthy flavors & pair nicely with the smoky bacon wrapped around the filet mignon.

Creamy Horseradish Sauce

- 6 oz. Greek yogurt
- 2 tbsp. prepared horseradish
- ¼ c. breadcrumbs
- 3 tbsp. unsweetened applesauce
