

THE RIVERDALE TIMES

Volume 1643

December 7 - December 20, 2023

It was the night of the annual tree lighting in Riverdale ND

It once again was a successful Tree Lighting event in Riverdale. The night was filled with great food & company and of course the special guests Mr. & Mrs. Santa Claus.

The members of Riverdale-Pick City Women's Club would like to thank all the attendees of the tree lighting on Saturday night. As you may know, the tree that we light each season was donated by the Mental Health Association of North Dakota many years ago.

It takes a small army to keep the tree lit every season. Let's thank Rob Holm, Aaron Von Eschen & Irv Loeb for putting their lives in danger as they climb the ladder to string the lights. Thanks to Lee & Jane Bertsch for being so generous by letting us use the coliseum, providing the sloppy joes and for again being Santa's elves. A big thanks to Krause's Market for providing hotdogs and buns. Thanks to Kent Olson for being our very own handy man. He fixes our Christmas lights, Riverdale Times box and whatever else we may ask him to do. Thanks to the Riverdale Fire Department for being Santa's sleigh. Thanks to Santa and Mrs. Claus for sharing the spirit with our guests and thanks to Amy Orth for getting the tree lighting event restarted back in 2016. Thanks to everyone who helped out.

Mountain Lion Zone 1 Late Season Opens

North Dakota's early mountain lion season in Zone 1 closed Nov. 26, and the late season, when hunters can pursue lions with dogs, is open.

During the early season, hunters took six cats from a harvest limit of eight. Under the season structure, a conditional season could open five days after the late season closes for hunters to pursue the additional two mountain lions that were not taken.

The late season in Zone 1 is scheduled to run through March 31, 2024, or until the harvest limit is reached. The late season harvest limit is seven total lions or three female lions, whichever comes first.

Hunters are advised to check the status of the late season by visiting the North Dakota Game and Fish Department website, gf.nd.gov.

Zone 1 includes land in western North Dakota south of ND Highway 1804 from the Montana border to the point where ND Highway 1804 lies directly across Lake Sakakawea from ND Highway 8, crossing Lake Sakakawea, then south along ND Highway 8 to ND Highway 200, then west on ND Highway 200 to U.S. Highway 85, then south on U.S. Highway 85 to the South Dakota border.

The mountain lion season in Zone 2, which is the rest of the state outside Zone 1, has no harvest limit and is open through March 31, 2024.

The mountain lion season is open only to North Dakota residents. Hunters need a furbearer or combination license to participate.

Late Season Hunting Dates

The statewide duck and white-fronted goose seasons close Dec. 3. However, duck hunting in the high plains unit reopens Dec. 9 and continues through Dec. 31.

In addition, the season for Canada geese closes Dec. 16 in the eastern zone, Dec. 21 in the western zone and Dec. 29 in the Missouri River zone. Light goose hunting closes statewide Dec. 29.

Archery deer, fall turkey, sharp-tailed and ruffed grouse, partridge and pheasant hunting seasons continue through Jan. 7.

The season for tree squirrels closes Feb. 29.

CROCK POT CHRISTMAS CRACK

INGREDIENTS

- 1 jar(s) unsalted peanuts, 16 oz
- 1 jar(s) salted peanuts, 16 oz.
- 1 bag(s) semi-sweet chocolate chips, 12 oz
- 1 bag(s) milk chocolate chips, 12 oz
- 2 bag(s) peanut butter chips, 10 oz each
- 2 pkg white almond bark or vanilla candy coating, 1 lb each

PREPARATION

1. Layer all ingredients in a large Crock Pot (starting with peanuts).
2. Break apart the bark into chunks and place into the Crock Pot as the last layer.
3. Turn the pot on low, cover with lid, and leave sitting for 1 hour.
4. Then, remove the lid and stir to combine.
5. Replace lid and leave sitting for another 30 minutes keeping an eye to make sure it doesn't burn.
6. Stir again. Then spoon mixture onto wax paper or non-stick aluminum foil.
7. Allow candy to harden for at least 1 hour. Enjoy!

WRT to Sponsor BSC Tech Studies / Work Experience Program – Deadline January 1

WRT is a local cooperative that provides Internet, Voice, and Security services to 25 local communities in North Dakota and South Dakota. WRT is proud to announce a new sponsorship opportunity with Bismarck State College “BSC” in Bismarck, ND to assist students who plan to continue their education in the field of study within Information Technology, Cybersecurity, Electronics/Telecommunications Technology, Computer Science or Advanced Digital Technologies. The selected student intends to complete the Sponsorship Program as outlined, including program completion at BSC, and agreeing to 12 months of work at WRT for each year of schooling paid for by WRT. The program’s mission is to provide incentives for high school and/or college students to pursue a career in skilled labor jobs as the nation experiences a persistent shortage.

“WRT is committed to our youth and recognizes that financial concerns may keep exceptional potential applicants from considering Information Technology education as an option,” said Troy Schilling, CEO/General Manager at WRT. “The impact that has on technology companies in local communities, is a loss not only for them, but also for anyone who can make a difference in the world of technology. We want to alleviate the burden of debt so they can focus on their future, while also living and working locally to keep our communities strong.”

Applicants for the WRT/BSC Sponsorship Program must meet the following criteria for consideration:

- High School GPA of 2.5 or greater
- Planning to pursue or already pursuing a career in Information Technology, Cybersecurity, Electronics/Telecommunications Technology, Computer Science, or Advanced Digital Technologies at BSC for the upcoming academic year.
- Preference will be given to students from the WRT service area or wanting to reside in the WRT service area upon graduation. Selected applicant must reside within WRT service area during employment with WRT.
