

The Riverdale Times

V. 1617

December 8- December 21, 2022

The Riverdale-Pick City Women's Club would like to thank everyone that came out to Light the Tree on Sunday evening. We were so pleased with the number of attendees this year. We would like to extend a big "Thank You!" to those who helped to make this event happen! Thank you to the Tree Elves: Rob Holm, Aaron Von Eschen, and Irv Loeb, along with Clay Haraseth of the Riverdale Fire Department for delivering Santa, our special guest. Thank you to Krause's Market of Washburn for donating hot dogs and buns. Thank you to Lee and Jane Bertsch for providing the venue, main dish and donating the filled stockings for Santa to give to the kids. We also want to thank Santa - Hope you will be back next year. The space at the Riverdale High Lodge coliseum was fabulous for everyone. We are excited to do it again next year.

Here are some photos from the event.

Mike Dirk City Council 2022

My wife Doreen and I sold our home in Fargo and retired in 2018 and moved to Riverdale. We just love it here, far away from the hustle and bustle of Fargo. We started out as part time residents in Riverdale, enjoying our winter home in Mesa AZ.

We sold the home in AZ in 2021 mostly due to the same hustle and bustle that made us want to leave Fargo. We are enjoying full time living in Riverdale.

Since we are now full time here in Riverdale, I have joined the Riverdale Volunteer Fire Department and thought it was time to join the City Council.

It has been a good fit for me, as I retired after 27 years at NDSU in the Facility Management. Supervising Contractors and Project Manager for several building and street projects. We have a son, Jeremy who lives in Oregon and a grandson, Ovie and another grandchild due in July. Riggs is our 1-year-old black lab and I am enjoying Pheasant hunting with him this year.

Fishing Tournaments Require 30-Day Notice

Organizers planning fishing tournaments, including ice fishing contests this winter, must submit an application, along with fishing tournament regulations, to the North Dakota Game and Fish Department at least 30 days prior to the start of the event.

The 30-day advance notice allows for review by agency staff to ensure the proposed tournament will not have negative biological consequences, or conflicts with other proposed tournaments for the same location and/or time.

Fishing tournaments may not occur without first obtaining a valid permit from the department.

Special Allocation Lottery Apps Due Jan. 1

Nonprofit organizations eligible to receive big game hunting licenses in 2023 must have the application submitted to the North Dakota Game and Fish Department no later than Jan. 1.

North Dakota state law provides direction for the Game and Fish director to allocate big game hunting licenses to eligible organizations. Under this directive, up to two elk, moose and pronghorn licenses, and 10 white-tailed deer licenses, can be issued to organizations for fundraising.

Eligible organizations must be exempt from federal income taxation under section 501(c)(3), and must provide a copy of the letter from the Internal Revenue Service to that effect. In addition, organizations must be active and in good standing with the office of the North Dakota Secretary of State.

Successful lottery applicants must agree to donate at least 10% of the net proceeds of any license fundraiser to a conservation-related project, such as hunting access, conservation education, habitat development or shooting range management.

Use these 3 tips to safely share joy and good cheer this holiday season:

Know who you're buying from

Shop from well-known retailers or companies. Before you enter personal information, be sure you're on a legitimate website. It should begin with "http" and have a "lock" symbol.

Send money safely

Check the email or phone number closely before you hit send. Also, your bank will never ask you to send money to yourself to "reverse" a fraudulent transaction, but a scammer might.

Keep an eye on your purchases

Set up alerts on your credit card(s), bank accounts and payment apps to inform you when a purchase is made. It's quick and easy and each alert will always include instructions on how to report a transaction you didn't make.
