Volume 1645

January 4 - January 17, 2024

*Welcome*  
**2024**

May this year be filled with accomplishments,  
laughter, and moments of pure happiness.

## New Year & New Website for the City of Riverdale

(information provided by city auditor)

The City of Riverdale is excited to announce a new website and communication platform. We have partnered with Town Web to develop a professional, effective, and user-friendly portal. Several components are worthy of being highlighted:

- The new website is mobile-friendly and ADA compliant.
- A widget entitled “Report an Issue” allows citizens to submit a service request (water turn-off/on), report a non-emergency issue (street light out), or ask a question.
- The most exciting feature is the subscription element. This allows individuals to be notified of new content added to the website (news/notices or meeting agendas and minutes). Notifications can be sent by text message or email. Additionally, emergency alerts for water breaks, electrical outages, and other pertinent information will be delivered electronically to all who have subscribed to updates.

There are two (2) ways to sign up for notifications, both of which are accessible from the Home page.

- o Scroll down near the bottom to a section which says “Subscribe to Receive Updates”.
- o The “Subscribe” option on the drop-down menu under the “Community” tab at the top can also be completed to be alerted to new content or emergency situations.

- Online payments continue to be available for utility bills and other monetary transactions. Changes and modifications will continue to be implemented as feedback is received from users and staff navigates the design and lay-out features. Everyone is strongly encouraged to sign up for the notification service so emergency information will be received in a timely manner and any proactive measures can be addressed by property owners. We are confident that this new platform will keep residents informed, engaged and connected!

Circle Sanitation will be picking up trash on Thursday, Jan. 4, 2024,  
instead of Wednesday due to the New Year's Holiday.

# EXTENSION AND AG RESEARCH NEWS

## **NDSU Extension and SDSU Extension host free virtual aging well workshops The workshops will cover estate planning, healthy living and aging in place.**

North Dakota State University Extension and South Dakota State University Extension are hosting a series of free aging well workshops. These workshops are offered as live Zoom webinars.

There will be three presentations: Jan. 18, Feb. 15 and March 21. All presentations start at 10 a.m. CST and last one hour. They are free to attend, and you can sign up as an individual or invite a group as a watch party host. Ideal watch party hosts include county Extension offices, senior centers, libraries and community centers.

Susan E. Johnson-Drenth will present on Jan. 18 updates on elder law and estate planning in 2024. Johnson-Drenth is a certified elder law attorney by the National Elder Law Foundation and the president of JD Legal Planning PLLC, a Fargo law firm focused on estate planning, elder law, probate, probate litigation, guardianship and trust law, including special needs trusts for people with disabilities.

On Feb. 15, Michelle Kutner will help attendees learn about healthy living for their brain and body. Kutner joined the Alzheimer's Association in April 2022 as the state program director for the South Dakota Chapter. Kutner is a licensed social worker who obtained her master's in social work from Washington University in St. Louis, Missouri.

For the final presentation, Leacey Brown and Jane Strommen will describe strategies for staying in your home longer. This presentation will focus on the need for accessibility to age in place. Brown and Strommen are gerontologists who have been working together since 2017 to provide education and outreach about getting older in North Dakota and South Dakota.

"We are excited to offer these educational opportunities on important health and wellness topics which contribute to aging well," says Strommen.

To register for the January presentation, visit [ndsuhq.org/aging-well](https://ndsuhq.org/aging-well).

For more information about this workshop, or questions about hosting a watch party, contact Jane Strommen, NDSU Extension Gerontology Specialist, at 701-231-5948 or [jane.strommen@ndsuhq.org](mailto:jane.strommen@ndsuhq.org).

# THAT'S NOT MY JOB!

This is a story about four people named: Everybody, Somebody, Anybody and Nobody. There was an important job to be done and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realised that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

For those who don't want Alexa listening in on your conversations, they're making a male version.....it doesn't listen to anything.
