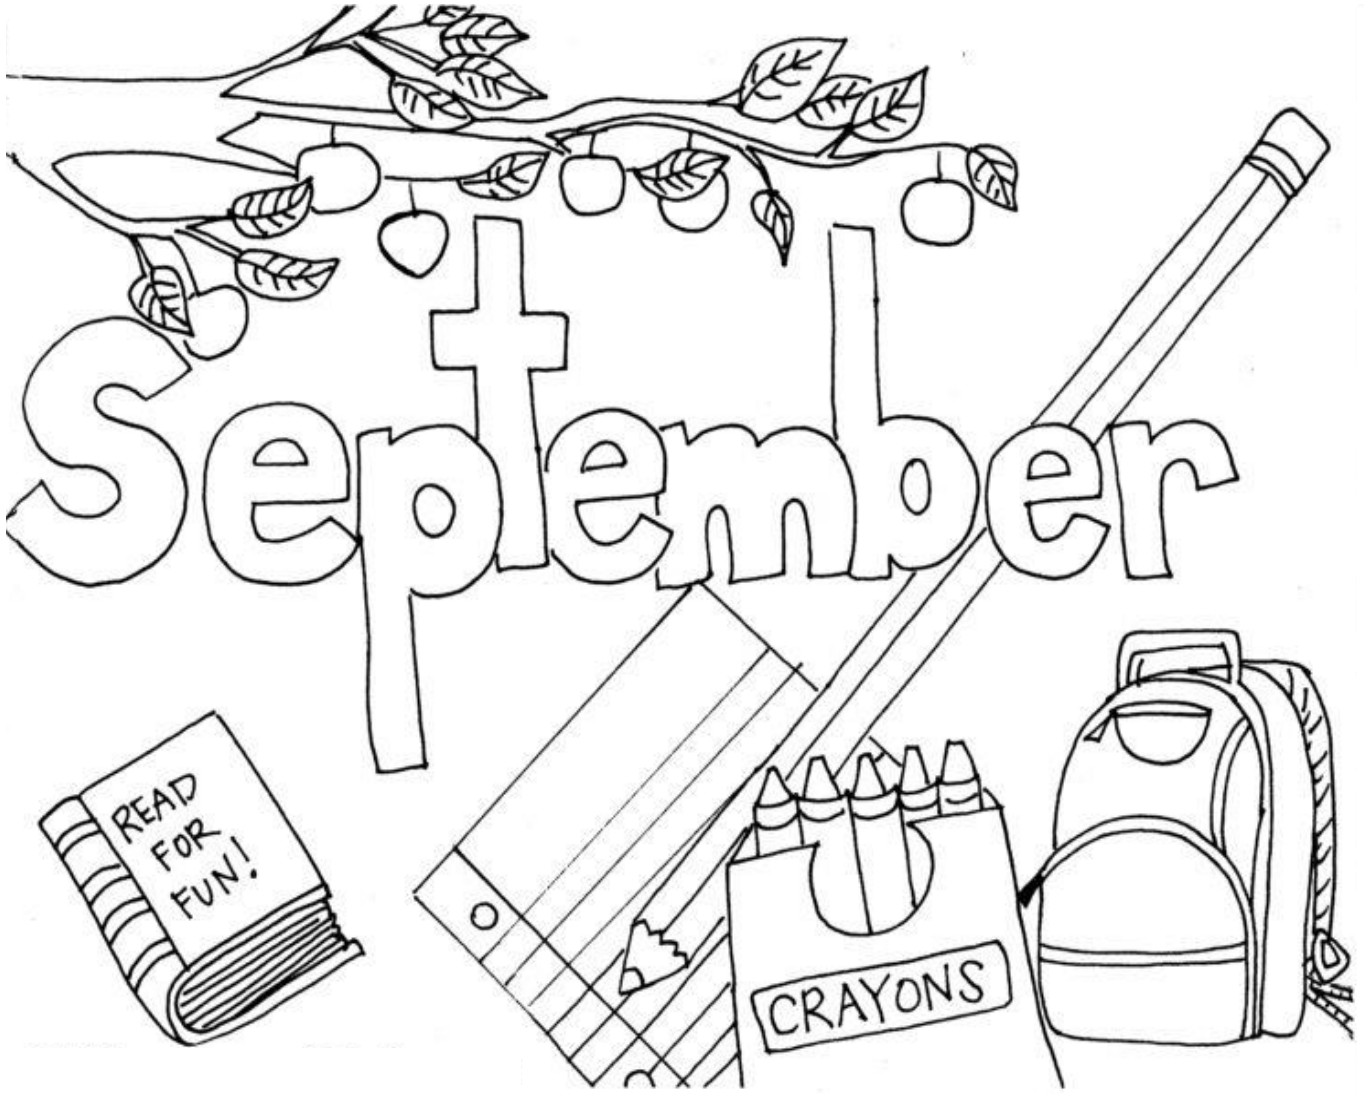
The Riverdale Times

September 1, 2022 Vol. 1610
September 1 – 14, 2022



Hello September!

Thank you for the reminder
that change can be beautiful!

Yard of the Week

Congratulations

Rob & Brenda Holm

102 4th Street

Cheerful yellow Adirondack chairs greet us on the front deck of the home of Rob & Brenda Holm, 102 4th St. Riverdale, and Yard of the Week for August 21, 2022. A hammock for lazy summer days hangs from the large tree by the deck. The front of the house is lined with rocks that hold some scrap/repurposed ironwork art made by Rob. Just across the green lawn beyond the house are large evergreens surrounded by rock with an old cream can for decoration. We think it would be a great spot for family photos. The back yard holds a tree house the Holms brought with them when they moved here from Oklahoma. The kids had hours of fun there and now the grandkids use it. There is another large deck off the back of the house with patio furniture and a hot tub. Various containers of flowers and plants accent both decks. Congratulations Rob and Brenda! Thanks for keeping your corner of Riverdale beautiful.

(In the picture are Rob & Brenda & grandkids Liam, London, Aspen, & Ireland.)

Yard of the Week

Congratulations

Val & Jack Kolberg

216 3rd Street

We've had our eye on the yard of Val & Jack Kolberg at 216 3rd St., Riverdale, for a while. The yard is always well maintained with the flagpole and lots of fun flowers, figurines, and metal work. The blue bicycle holds plants in the basket and is surrounded by more flowering plants. Look for the container "spilling" flowers across the flower bed. Val has lots of gnomes. Look for them as containers, on garden flags or just little statues scattered in with the plants. The back yard is the true oasis of this home. There is a deck with hot tub, a pergola with seating/dining area, a fire pit with more seating and flower gardens with water features. The metal whirligigs and whimsical metal pigs caught our eye too. Val hopes to turn the cute shed into her "she shed" in the next year or two.

Congratulations Val & Jack!

Thanks for keeping your corner of Riverdale beautiful.

NOTICE OF PUBLIC HEARING
CITY OF RIVERDALE
2023 BUDGET

Notice is hereby given that the Riverdale City Council will meet in the City Hall Meeting Room on September 12, 2022 at 6:00 PM to hear objections to the proposed expenditures for the 2023 calendar year. Cheesy Taco Beer Dip with Taco Seasoning from scratch

dadwithapan.com

INGREDIENTS

Taco Seasoning

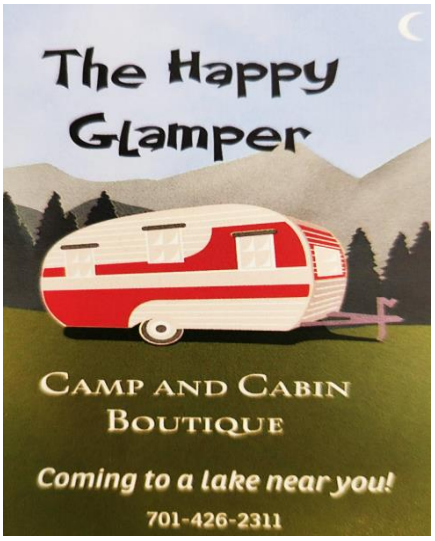
2 tbsp. chili powder
2 tsp. salt
1 tsp. pepper
1 tsp. oregano
½ tsp. granulated onion
½ tsp. granulated garlic
1 tbsp. cumin

Cheesy Taco Beer Dip

1 lb. ground beef
4 tbsp. taco seasoning (recipe included above)
4 oz. cream cheese
2 c. shredded cheese
½ can light beer
1/3 jar salsa (about ½ cup)
½ c. milk (more if needed depending on desired consistency)

DIRECTIONS

On medium heat in a cast iron skillet add ground beef & taco seasoning. A little EVOO may be needed, or a non-stick pan can be used. Cook until no longer pink. Use beer to de-glaze the pan. Let alcohol cook out. Add salsa. Cook for 2-3 additional minutes. In a separate saucepan: on medium-low heat, add cream cheese, shredded cheese, & milk. Melt & combine completely. Incorporate cheese sauce to meat mixture. Cook for additional 2-3 minutes. Serve warm as a dip or if you want to crank it up, smother on top of a burrito for “oven style” goodness. Serves 4



Camp, cabin, lake, and river-themed clothes, hats, sandals, beach towels, jewelry, gifts, decor, and much more, all packed into a beautifully revamped vintage 1955 travel trailer!

The Happy Glamper Traveling Camp and Cabin Boutique

Powerful Tools FOR Caregivers

Feeling Stretched as a Caregiver?

Powerful Tools for Caregivers is an educational series designed to provide you with the tools you need to take care of yourself.

This program helps family caregivers reduce stress, improve self-confidence, improve communication, balance their lives, increase their ability to make tough decisions, and locate helpful resources.

The caregiver class consists of six sessions held once a week. Two experienced Class Leaders conduct the series (many are experienced caregivers themselves, who have successfully applied the techniques they teach). Interactive lessons, discussions and brainstorming will help you take the "tools" you choose and put them into action for your life.

Participants will receive a book, *The Caregiver Helpbook*, free of charge.

For more information or to register, contact Courtney Hoikkala at courtney.hoikkala@ndsu.edu or 701-462-9903. Class size is limited and pre-registration is required.

Classes will be hosted on ZOOM on Tuesdays starting September 20, 2022, from 1:30 – 3:00p.m.

Powerful Tools for Caregivers is owned and managed by Iowa State University of Science and Technology.

15 Things Mindful People Do Differently

1 They don't believe their thoughts - and they don't take them all that seriously

2 They don't try to avoid or deny emotions

3 They understand that all things come and go

4 They do one thing at a time

5 They turn everyday tasks into mindful moments

6 They practice being curious

7 They get outdoors and embrace the beauty of nature

8 They enjoy every bite when they eat

9 They slow down when reading and truly take the information in

10 They are fully present when listening without trying to control or judge

11 They take mini-breaks every hour or so when working or studying.

12 They laugh at themselves

13 They focus on what they're doing

14 They challenge existing beliefs

15 They nourish their bodies

Kimi's Food Tips

Cleaning Fruit: Fill sink with water, add 1 cup of vinegar & stir. Add all fruit & soak for 10 min. Water will be dirty & fruit will sparkle with no wax or dirty film. Great for berries too as it keeps them from molding. Do this with strawberries and they last for weeks!

Kimi's offers gifts that won't clutter or end up at the thrift store. *Gift certificates or a meal delivered to a friend or family.* Reserve your gift of *homemade* food.

Call Kimi at 701.891.1709

Follow us! "Kimisfoodservices" for Daily Specials and Events

NORTH DAKOTA GAME & FISH

CWD Testing During Deer Bow, Elk, Moose Seasons

With the deer bow, elk, and moose seasons opening soon, North Dakota Game and Fish Department officials remind hunters there are options for getting their animals tested for chronic wasting disease.

Hunters can drop off heads at any of the following locations:

•**Belfield**– North Dakota Department of Transportation shop; 898 8th St. NE

•**Bismarck**– North Dakota Game and Fish Department Wildlife Health Lab; 3001 E. Main Ave

•**Devils Lake**– North Dakota Game and Fish Department district office; 7928 45th St. NE

•**Dickinson**– North Dakota Game and Fish Department district office; 225 30th Ave. SW

•**Fargo**– North Dakota Veterinary Diagnostic Lab; 4035 19th Ave. N

•**Fort Yates**– Prairie Knights Quik Mart; 7932 ND-24

•**Lonetree –** North Dakota Game and Fish Department district office; 1851 23rd Ave. NE

•**Jamestown**– North Dakota Game and Fish Department district office; 3320 E. Lakeside Road

•**Kenmare**– Des Lacs National Wildlife Refuge; 42000 520th St. NW

•**Killdeer**– Dunn County shop; 300 Central Ave. S

•**Minot**– State Fairgrounds; 2005 E. Burdick Expressway

•**Riverdale –**North Dakota Game and Fish Department district office; 406 Dakota Ave

•**Watford City**– McKenzie Ranger District office; 1905 S. Main Street

•**Williston**– North Dakota Game and Fish Department district office; 5303 Front St. W

Self-sampling kits are also available to hunters who wish to have their animal tested but are unable to drop the head off at a collection site. The kits allow hunters to remove the lymph nodes and ship them to the Department's Wildlife Health Lab for testing. A sampling kit request form can be found on the Department's website, www.gf.nd.gov

Also of note, whitetail or mule deer carcass or carcass parts taken from deer hunting units 3A1, 3A2, 3B1, 3C, 3D1, 3E2, 3F2, 4B and 4C in North Dakota; a moose from moose hunting units M10 and M11; or an elk from elk hunting units E2 and E6; may not be transported to a collection site outside of the unit. However, deer carcasses may be transported between adjoining CWD carcass restricted units, and moose carcasses between units M10 and M11.

Grouse, Partridge Seasons Open Sept. 10

North Dakota's hunting seasons for grouse and partridge will open Sept. 10.

Shooting hours are one-half hour before sunrise to sunset. Sharptails, ruffed grouse and Hungarian partridge each have a daily limit of three and a possession limit of 12.

All hunters, regardless of age, must have a general game and habitat license. In addition, hunters 16 and older need a small game license.

Grouse and partridge hunters should refer to North Dakota OUTDOORS August-September issue for an outlook on the fall hunting season, available online by the season opener on the state Game and Fish Department's website www.gf.nd.gov

Hunters are urged to keep up with the daily rural fire danger index, issued by the National Weather Service, to alert the public to conditions that may be conducive to accidental starting or spread of fires. County governments also have the authority to adopt penalties for violations of county restrictions related to burning bans. These restrictions apply regardless of the daily fire danger index and remain in place until each county's commission rescinds the ban. Information on current fire danger indexes is available through https://ndresponse.gov

For other season information and regulations, hunters should consult the *North Dakota 2022-23 Hunting and Trapping Guide*.

City Council Meeting
August 8, 2022

The regular Riverdale City Council meeting of August 8, 2022 was called to order at 6:00 PM by Mayor Taylor.

Present: Alex Taylor, Garth Zimbelman, Dave Fryda, Mike Dirk, Dick Cheatley and Auditor Del Kolke

Cheatley moved to approve consent agenda, setting aside Twin City Roofing bill. Fryda seconded. Motion carried.

Guests:
Mr. Bertsch explained his proposal for water and sewer services to his property located in Monroe Addition. Fryda moved to approve plans contingent on properly recorded easement provided to city. Dirk seconded. Discussion ensued. Fryda withdrew motion. Zimbelman moved to conditionally approve submitted plan; sewer services connected at Colorado Street and water services on Dakota Avenue; and require an easement through Lot 2 Block 2 Monroe Addition being recorded with McLean County Recorder's Office prior to work commencing. Cheatley seconded. Roll Call: Zimbelman aye, Fryda aye, Dirk aye, Cheatley aye. Motion carried.

AJ Tuck presented bid tabulation for phase 1 of gate valve replacement. Cheatley moved to approve DL Barkie bid of $614,410.60 contingent on funding agency approval. Dirk seconded. Motion carried.

Brenda Beran reported another successful vendor fair was well attended with many vendors achieving favorable sales. Central McLean News-Journal showcased the event in a recent edition.

New Business:
Dirk authorized 1.5" insulation for shop roof at a cost of $18,532 and apprised council of his decision. Cheatley moved to approve payment to Twin City Roofing in the amount of $104,212. Zimbelman seconded. Motion carried.

Zimbelman moved to approve sale of Lot 1R Block 1 John Adams Addition for $13,500 to Todd and Mandi Braun. Fryda seconded. Motion carried.

Dirk will have maintenance assess stop signs throughout the city for replacement and contact vendors for pricing information.

Cheatley moved to approve the 2023 preliminary budget. Zimbelman seconded. Motion carried. Budget hearing is set for September 12, 2022 at 6:00 PM.

Reports:
Fire department will perform a walk-through of Reel Convenience to familiarize volunteers with emergency shut-offs and procedures. Future training will include pumping water from Kiddie Pond to truck.

Taylor has noted several properties requiring attention and letters will be sent to property owners. Several residents have also been spoken to regarding possible violation of Ordinance No. 44 which limits camping on private property to seven (7) days.

Zimbelman instructed maintenance to remove supports on tree rows south of campground. Items of concern at the campground include unauthorized removal of a hitch from a trailer and a maroon golf cart from town driving recklessly in the campground. Delivery of picnic tables is slated for mid-August and a lottery for placement of tables has been held.

Fryda requested auditor to gather information for an emergency notification system to be utilized to inform residents of power outages, water breaks or other related matters.

Dirk will evaluate city signs along Highway 200 for clean-up and possible removal.

Auditor will meet with Missouri River Energy Services representative for member survey completion and participate in a virtual training event focusing on budgets and audits. American Tower's proposal will be reviewed by legal counsel prior to execution. City hall will be closed Monday, Sept. 5 for Labor Day.

Next meeting is scheduled for Monday, September 12 at 6:00 PM.
Meeting adjourned at 7:35 PM.
