2023 Miss Prairie Rosebud - Kaylee Johnson

A girl setting goals and following her dreams!

Hello,  
My name is Kaylee Faith Johnson. I'm the daughter of Derick and Paula Johnson. I am 8 years old and live in Falkirk, ND. Mom always says it's one of those 'don't blink or you'll miss it' type towns. My dream of becoming a rodeo queen started when we went to the Y's Men's Rodeo for my 4<sup>th</sup> birthday. I got to meet a bunch of rodeo queens and princesses and got their autographs. Since then every chance I get I collect more autographs and talk to the rodeo royalty. Last summer I got to be in my first pageant and was blessed with the ND Prairie Rosebud title at the Wing Rodeo. This summer my goal is to work hard and attend a rodeo queen clinic as well as a horsemanship clinic. Hopefully these will help me to achieve another princess title this summer when I travel to several pageants. When running for a princess title I am expected to do speeches, a horsemanship pattern with my horse, Dakota and participate in a fashion show. I have loved being a part of this rodeo world from mutton busting when I was little to barrel racing and pole bending. And now helping the little mutton busters as a rodeo royalty member as well. Being a part of the rodeo royalty world has taught me so much, like what hard work looks like off the farm, the patience and preparations of traveling to where I want to go and being so happy for others when it's their turn to shine in the spotlight. I am just so happy to be a part of it all!

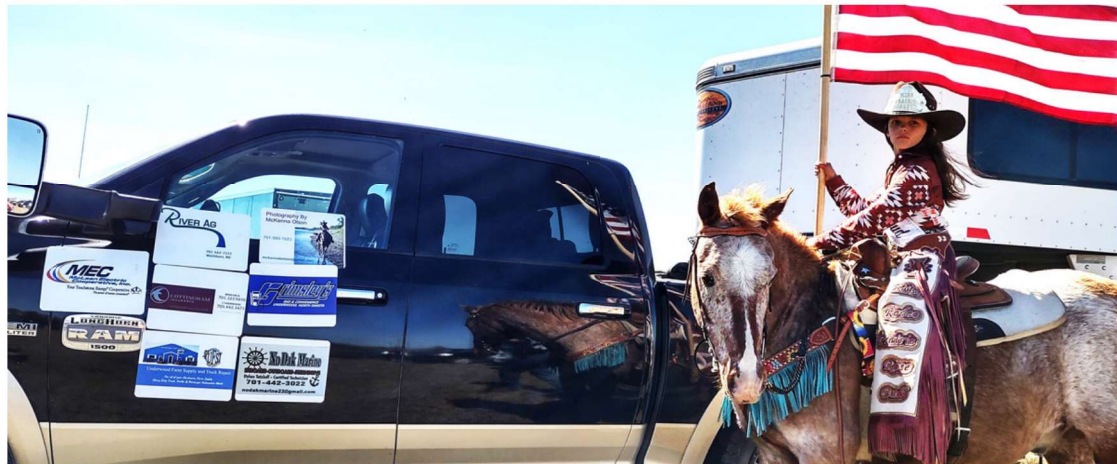

Kaylee Johnson

Thanks for considering helping me chase my rodeo queen dream!

Sincerely,

Kaylee Faith Johnson  
2023 Miss Prairie Rosebud

Kaylee Johnson, the granddaughter of Ronnie and Diane Johnson (Pick City) and Tom and Laurie Nostdahl (Underwood) shared her heart with the Women's Club.

We wish Kaylee the "Best of Luck" in her rodeo journey!

Kaylee with her brothers.

### 2022 Deer Season Summarized

A total of 47,590 North Dakota deer hunters took approximately 25,093 deer during the 2022 deer gun hunting season, according to a post-season survey conducted by the state Game and Fish Department. Game and Fish made available 64,200 deer gun licenses last year. Overall hunter success was 53%, with each hunter spending an average of 4.4 days in the field.

“The lower success was due, in part, to deteriorating weather conditions during the beginning of the season,” said Casey Anderson, wildlife chief for the North Dakota Game and Fish Department. “We were met with high winds immediately followed by blizzard conditions, producing measurable snow amounts and below normal temperatures for most of the season.”

Hunter success for antlered white-tailed deer was 43%, and 40% for antlerless whitetails.

Mule deer buck success was 64%, and 70% for antlerless mule deer.

Hunters with any-antlered or any-antlerless licenses generally harvest white-tailed deer, as these licenses are predominantly in units with mostly whitetails. Buck hunters had a success rate of 54%, while doe hunters had a success rate of 56%.

Game and Fish issued 10,822 gratis licenses in 2022, and 8,301 hunters harvested 3,578 deer, for a success rate of 43%.

A total of 1,168 muzzleloader licenses were issued, and 1,018 hunters harvested 461 white-tailed deer (223 antlered, 238 antlerless). Hunter success was 45%.

A total of 27,720 archery licenses (24,414 resident, 3,306 nonresident) were issued in 2022. In total, 22,985 bowhunters harvested 7,780 deer (6,491 whitetails, 1,289 mule deer), for a success rate of 34%.

The department is in the process of determining recommendations for licenses in 2023. In addition to harvest rates and winter aerial surveys, Game and Fish staff monitor other population indices to determine license numbers, including depredation reports, hunter observations, input at advisory board meetings, and comments from the public, landowners and department field staff.

# What Is May Day?

by Better Homes & Gardens

If you haven't heard of it before, May Day is celebrated on the first day of May (which—surprise—is why it's called May Day). There isn't a specific origin of the holiday, but rather several centuries-old springtime celebrations that have been condensed into one holiday over the years.

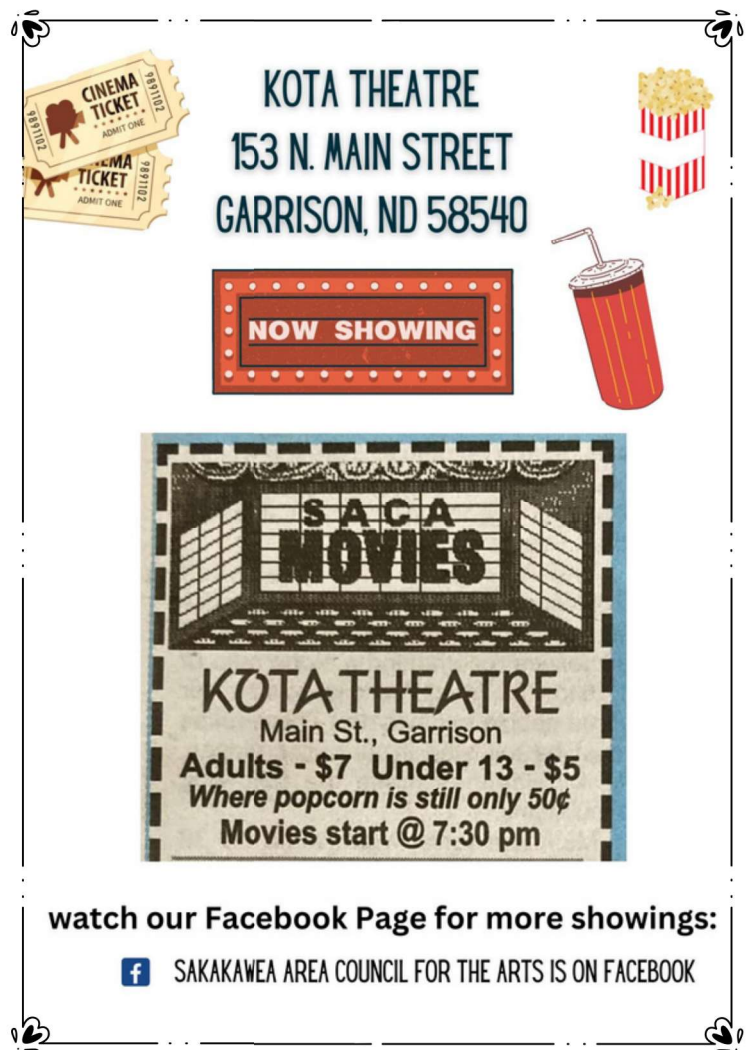

The first of these celebrations' dates back to about 500 B.C. and comes from the ancient Roman celebration of Floralia, a festival that celebrated Flora, the goddess of flowers and fertility. Floralia was celebrated between late April and early May and typically lasted a whole week. It was a celebration of springtime and new life.

You may also have heard of Maypoles (they're more common in Europe than in the U.S.) which is another centuries-old tradition that influenced modern-day May Day. In medieval times, villagers would place bright, colorful streamers and ribbons on a tall pole; young girls would each grab the end of a streamer and do a dance around holding them.

When the pilgrims came to America, they traded the Maypole tradition for more simple baskets of flowers and treats, which is a tradition that's still frequently used today. Over time, all of these spring celebrations and customs have morphed into what we now recognize as May Day.

## When Is May Day?

May Day is always celebrated on the first day of the month regardless of the day of the week, as this marks the halfway point between spring and summer. This year, May Day is Monday, May 1, 2023.

## How to Celebrate May Day This Year

One of the easiest ways to celebrate the day is to make a May Day basket (or a few!) and leave them for friends and neighbors to enjoy. As a kid, I would put together a basket of flowers and homemade cookies and sneak up to my grandparent's house, leave the basket on the porch, ring the doorbell ding-dong-ditch style and try to surprise them. (Spoiler alert: They always knew it was me.)

If you want to participate this year, we can show you how to make a pretty May Day basket (we also have free printables you can use to make May Day cards, too!). Once you've put your baskets together, leave them on your friends' and neighbors' doorsteps for a sweet socially-distanced spring surprise.

## LaRae Skachenko

### 1. How long have you been with the service?

I've been with the Riverdale Ambulance service for 2.5 years

### 2. Why did you join the service?

I joined the service because it is a rewarding job and I get to help people on their worst days.

### 3. What is your role with the service?

Ambulance Driver

### 4. What is one piece of advice you've learned during your time in EMS?

One thing I have learned is to find an activity to help you de-stress after calls.

Sometimes I just want someone to hug me and say, "I understand your pain. It's going to be okay, here's a coffee and Two million dollars."

# Being humble

means recognizing that we are not on earth to see how important we can become, but to see how much difference we can make in the lives of others.
