

The Riverdale Times

Volume 1629

May 25 - June 7, 2023

Kevin "Doc" Dockter will have one more event at the Riverdale gymnasium on Saturday

The final game has ended for Doc, he passed away May 17th, 2023. The positive impact he had on so many will always be. It's truly amazing how one person has touched so many hearts. Following are words that family, friends, students and college classmates used to describe Doc:

Charismatic, a man of integrity, a genuinely caring person, the epitome of a good human, bigger than life, the best coach and person, multi-sport stud and his heart was as big as his accomplishments. A college buddy said "I felt so honored being a part of your circle, our friendship was immediate and it lasted a lifetime".

A nephew said, "It meant so much that you saw me as a man, but I never thought I could be half of the man you were, the lives you touched and the love you had for your family, your brothers, students, athletes, coaches, faculty, alumni, you meant so much to this state, and to me".

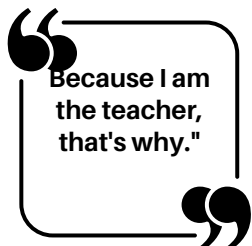

As we wipe the tears off our cheeks, you can't help but think WOW ~ What a positive impact one man made on so many people. He's a legend in my book.

Doc served on the Riverdale City Park Board for many years offering a helping hand wherever needed. He mowed many lawns in our parks and ball diamond. His time on earth was cut short but could that be that he finished his homework early?

You can review Doc's full obituary at:

<https://www.goetzfuneralhomes.com/obituary/kevin-dockter>.

A celebration of his life will be 10:30 AM on Saturday, May 27, 2023.

Calendar of Events:

Monday, May 29, 2023 City Offices closed in observance of Memorial Day

Wednesday, May 31, 2023 4:00 pm - 6:00 pm

Riverdale-Pick City Ambulance Spotlight

3 Ways you can help the Riverdale-Pick City Ambulance Service

1. Be an active volunteer as a driver or EMT (training available).
2. Volunteer as an active member in the Vital Friends Group.
3. Monetary donations can be mailed to
Riverdale-Pick City
Ambulance
PO Box 594, Riverdale,
ND 58565

If you have questions,
please call 701-527-6911

Ben Gumke

1. How long have you been with the service?

I joined the service in 2019.

2. Why did you join?

Growing up in a small rural North Dakotan town, I have a sense of pride for our rural communities and wanted to show my support while I occasionally stay in the area.

3. What is your role?

I am an ambulance driver.

4. One piece of advice you have learned.

A community who helps one another will flourish and being a good neighbor goes a long way. This community has been great to volunteer in, all while assisting the residents during their troubling times.

May Highlights Safe Boating

A week-long national safe boating public awareness campaign is May 20-26, an annual event that serves to educate boaters and water users heading into summer.

A boat should have enough U.S. Coast Guard approved life jackets on board for all passengers. North Dakota law requires all children ages 10 and younger to wear a personal flotation device while in boats of less than 27 feet in length. The law also requires all personal watercraft users to wear a life jacket, as well as anyone towed on skis, tubes, boards or other similar devices. However, state law allows an individual who is at least 16 years of age to windsurf or board sail without wearing a PFD. In addition, effective Aug. 1, a new state law will allow an individual engaged in barefoot skiing or surfing to wear a wet suit. A life preserver must be on board the towing vessel.

Water users should make sure to wear life jackets that are the appropriate size and in good condition. Failure to wear a personal flotation device is the main reason people lose their lives in water recreation accidents. Water skiers and tubers should wear a life jacket with four nylon straps rather than one with a zipper, because straps are stronger than zippers upon impact with water. Anglers and people paddling a canoe, kayak or paddleboard should opt for a PFD that is comfortable enough to wear for an entire outing. It is also important that children wear a PFD while swimming. Swimmers should know the water's depth, as serious injuries can occur from diving. Large objects hidden below the water's surface can lead to significant injury. North Dakota boaters are also reminded that marine VHF radios are an important part of boat safety that should not be improperly used by operators.

These radios are intended for boat operators in distress and facing an emergency situation. Regulations to help ensure safe boating this summer are found in the North Dakota Boat and Water Safety Guide.

Leave Baby Animals Alone, Watch for Deer

The North Dakota Game and Fish Department offers a simple message to the well-intentioned who want to pick up and rescue what appear to be orphaned baby animals this time of year: don't touch them. Whether it is a young fawn, duckling, cottontail rabbit or a songbird, it is better to leave them alone.

Often, young animals are not abandoned or deserted, and the mother is probably nearby. Young wildlife are purposely secluded by adults to protect them from predators. Anytime a young wild animal has human contact, its chance of survival decreases significantly. It's illegal to take wild animals home, and captive animals later returned to the wild will struggle to survive without possessing learned survival skills. The only time a baby animal should be picked up is if it is in an unnatural situation, such as a young songbird found on a doorstep. In that case, the young bird can be moved to the closest suitable habitat. Citizens should also steer clear of adult wildlife, such as deer or moose that might wander into urban areas. Crowding stresses animals and can lead to a potentially dangerous situation.

In addition, motorists are reminded to watch for deer along roadways. During the next several weeks young animals are dispersing from home ranges, and with deer more active during this time, the potential for car deer collisions increases.

Camping Restriction Lifted for Memorial Day

The North Dakota Game and Fish Department will lift the Tuesday-Wednesday no-camping restriction for Memorial Day week, which will allow overnight camping May 30-31 on those WMAs that otherwise have this two-day restriction in place. A complete list of WMA regulations is available on the Game and Fish website, gf.nd.gov.

Save Plaza 1 Building

The Riverdale City Council is considering demolishing the Plaza 1 building (library building) due to needed roof repair and the need to move and update the main electrical service to the building. Unofficial estimates for these repairs total approximately \$200,000. Unofficial estimates for demolition of the building are \$150,000.

Current use:

1. Headquarters for the McLean-Mercer Regional Library & Bookmobile (serving Max, Garrison, Turtle Lake, Mercer, Underwood, Washburn, Wilton, Beulah, Hazen, Dodge, Golden Valley, Stanton, and Center)
2. Riverdale Quilt Club (donating approximately 500 wellness quilts since 2000)
3. Riverdale Park Board meeting room

Additional suggested use: Community gathering space.

If you would like to show your support for the Plaza 1 building, look for the bright pink petition at area businesses.

Presented by a group of concerned citizens of Riverdale ND

Guardians of the Galaxy Vol 3

PG-13 2 hr 29 min

Still reeling from the loss of Gamora, Peter Quill must rally his team to defend the universe and protect one of their own, if the mission is not completely successful, it could possibly lead to the end of the Guardians as we know them.
