An inspiring woman makes a difference in a small-town

by Toni Ganje

CHRISTINE PEDERSON

As Christine Pederson was driving into Underwood in 2018, she drove by the Community Cupboard and said to herself "I am going to donate my time to better the Community Cupboard" and that is what she did. It has been 4 1/2 years since that day that she moved her belongings to Underwood to be closer to her parents. She has spent endless hours recruiting volunteers, finding funding and evaluating the needs of the Community Cupboard. She established regular hours for the Thrift Store which increased the volume of return customers and income from the store. Christine's mom, Nikk, would help her out whenever needed. These tasks are much easier to write on a piece of paper then to make happen in real life, but Christine's determination and will has brought this non-profit organization into a secure status.

Like I said Christine moved to Underwood to be closer to her parents but now she has a new calling; it's called "Grandma". Her daughter and son in law live in Ohio and are expecting their first child in August. Even though it's hard to leave a place that has been home it's time to move onto this very special role called Grandma.

Christine - Thank you for your service to the community and the Community Cupboard. As it's time for Chrstine to start a new chapter of her life she is handing the torch over to Pandy Hummel. Pandy is the President of the Community Cupboard and is excited to accept the torch. Pandy's description of Christine is "She is Awesome". I couldn't have said it better myself.

Riverdale Parks & Rec News

submitted by President, Amy Orth

It's that time of year again and the Parks and Rec crew have lots going on this year. As some of you may have seen, Mr. Roger and his son, Jason, have been hard at work down on the archery range. We are excited to announce that Riverdale residence will be able to practice their archery on a platform stand that will help with aim from your tree stand during hunting season. This will be a great addition to the archery range. Please be advised that the stand will not be in service until 100% complete and safety signs installed.

We will be offering again this season, Underwood Rec reimbursement fees for the summer ball programs and swimming lessons (not to include private lessons). Please watch for the reimbursement form to be published in next issue of The Riverdale Times.

Please welcome Dane Hansen to the Parks District team. Dane will be working as the Park District's laborer, mowing, weeding and doing miscellaneous maintenance as needed. We are excited that Dane joined our team.

An update on the Tribute to Heroes. We are getting closer to getting all the items needed to get this project completed. The bronze plaque has been received and looks amazing. We are very excited for everyone to see the completed project.

Lastly, the Riverdale Park Board will greatly miss one of our star team members, Kevin Docktor. Doc was the mold that formed our team. He was the face of the Riverdale Parks and our parks today thrive because of him.

With that, we have a special project in the works. Keep reading The Riverdale Times for the special announcement!

City of Riverdale

City ordinance states property owners are required to mow vegetation before it reaches 8" in height. Weed control is appreciated as well. Failure to comply may result in the City assuming this task and charging the property owner for services.

Circle Sanitation has not begun automated service yet due to equipment delays. To be prepared for the transition, please note these reminders:

1. ONLY 96-gallon totes issued by Circle Sanitation will be dumped. If you have a 48-gallon tote, please contact City Hall for upgrade.
 2. ONLY trash in the tote will be taken each week. Additional totes are available for a small fee. Larger items can be picked up by contacting Circle Sanitation at 838-1182 or 1-866-839-1868.
- You will be charged for this special request.

Artist in Residence at OWLS

The North Dakota Game and Fish Department, in cooperation with the North Dakota Council on the Arts, is hosting its first Artist in Residence June 19-23 at the Department's Outdoor Wildlife Learning Site in Bismarck.

Mel Gordon, Bismarck, was selected as the featured artist. She works independently as a freelance artist and illustrator. Her work has been featured in Parade Magazine, Midwest Living, Studio 701, One Million Cups, Talking Trails and newspapers across the upper Midwest. Notable works include Sitting Bull (Art Alley 5.5), The Heritage Art Tunnel, Beauty at a Glance, North Dakota Music Hall of Fame, Bismarck Veteran's Memorial Library, Department of Trust Lands, North Dakota League of Cities and Mary Stark Elementary School.

The residency will provide an opportunity for Gordon to share her knowledge and art with OWLS visitors. She will also host two events open to the public. On June 21 Gordon will describe during a workshop how to best use a sketchbook for capturing outdoor images. It is open to anyone age 12 or older. On June 22, Gordon will showcase an exhibition of her work completed during the residency. All activities are free and open to the public.

The Artist in Residence program provides visitors a unique opportunity to connect with biological, ecological and recreational resources through art.

Contact Sherry Niesar at 701-527-3714 or sniesar@nd.gov to learn more about the Artist in Residence program.

FISHING JOKES

A father and son went fishing one day. While they were out in the boat, the boy suddenly became curious about the world around him.

He asked his father, "How does this boat float? The father replied, "Don't rightly know son." A little later, the boy looked at his father and asked, "How do fish breath underwater?" Once again the father replied, "Don't rightly know son." A little later the boy asked his father, "Why is the sky blue?" Again, the father repied. "Don't rightly know son." Finally, the boy asked his father, "Dad, do you mind my asking you all of these questions?" The father replied, "Of course not, you don't ask questions, you never learn nothin'."

Yard of the week May 28, 2023

Jerry & Amy Orth 201 2nd St

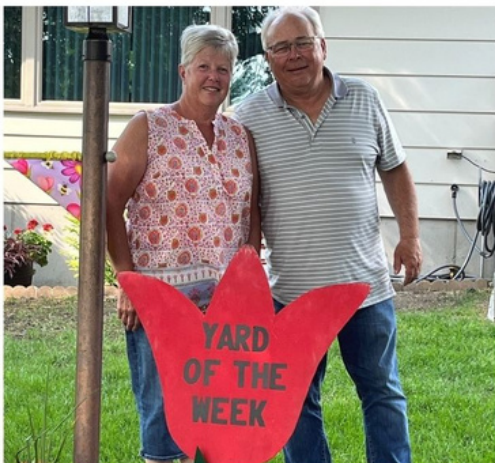

The first Yard of the Week honor for 2023 goes to Jerry & Amy Orth at 201 2nd St., Riverdale. Since moving to Riverdale in June of 2015, the Orths have done a lot of work to the house and yard. There are new decks on the front and back of the house, a new garage in the back, landscaping & more. A new curving sidewalk leads us to the new deck at the front door. This deck isn't going anywhere since it has large beams holding it in place. Containers of blooming flowers greet us on both sides of the steps. Look for the peony to be blooming soon. To the left of the steps edging winds around the house creating a decorative border. The border is filled with flowers, small shrubs, solar lights and decorative rock. (And not a weed in sight!) Jerry keeps the lawn green and trimmed. Congratulations Jerry & Amy!

Thanks for keeping your corner of Riverdale beautiful.

Yard of the week June 6, 2023

Doran & Peggy Walth 408 3rd Street

The lush green grass and the bright red chair with a container of red geraniums at Doran & Peggy Walth's house, 408 3rd St. Riverdale, caught our eye and Yard of the Week honors for the week of June 6. The Walth's moved in Doran's childhood home but with the landscaping and decorations you would think it has always been a part of Riverdale. The American flag was proudly flying under the large shade trees in the front yard. The front yard also has a light pole with garden flag and flowers at the base, shepherd hook with a hanging container of flowers and another cheery container of red geraniums by the basement windows. The sound of the fountain gave a relaxing feel. Edging around the flower & tree area makes everything look neat and tidy. Be sure to look for the large fish – you really can't miss it! Congratulations Doran & Peggy!

Thanks for keeping your corner of Riverdale beautiful.
