### Winter Folklore

When the first snowflakes are large, the snowstorm will be a lasting one. When the snowflakes are small, the storm will be a short one.

We are setting up a Pick City residents group email. This will be used to inform you of any happenings in Pick City! **The emails will be sent Bcc: so your email will not be attached to others. That is why we ask you not to response to it.** If you have any questions please email the city separately. If you have not received any emails yet, please call the city office to get on the list.

We're excited about this new venture, and we hope you like it too!

**Circle Sanitation's changes are on the Nov minutes!**
