Auditor for a  
nominating form.

Water #3  
BND – loan int/admin fee           \$4437.50

**Water Report:**

January analysis satisfactory.

Jim will be attending Operating Training Program in March.

Reiser motioned, Anderson second to approve contract with Interstate Power Systems for annual generator service.

Our engineer, Josh Feil, will research the cost of installing new water pumps at the water plant and get back to the council. He also stated that after April 1<sup>st</sup>, the city could use COVID grant monies for other projects besides updating the water plant.

Sewer Report: OK

**Distribution checks received:**

Highway Dept \$668.20, Rest & Lodging \$214.43, Coal Conversion \$1386.09, Coal Severance \$2020.19, Revenue Sharing \$827.92

**Old & New Business:**

Carmen Redd went over the Hazard Mitigation items that the City had done previously. It was decided that the installing of a siren at SW part of the city should be high on the list. It was also discussed putting a walking trail on the west side of Main Street. The engineer will check that out with the highway dept.

Anderson motioned, Reiser second to approve the Pledge of Securities in the amount of \$600,000.00 from USB. All in favor.

Anyone interested in filling Council & Mayor position in June Election can contact Auditor to get a nominating petition.

Being no further business meeting was adjourned to March 7<sup>th</sup>, 2022 regular meeting.

Mayor: Wilbert Harsch           Auditor: Patricia Drown

**Notices:**

City Office will be closed February 21 for Presidents Day.
